---

#### Light

We would like to use the light kit provided by the venue but bring our own light board. In case you cannot provide the sufficient amount of fixtures, please let us know.

#### Sound

We would like to make use of the front of house and two monitors provided by the theater. We will provide a mixer, mics and wireless supplies.

#### Stage

We would like to use the masking provided by the theater, minimal width per wing on either side of the stage is one meter.

#### Set

The set consists of two couches, a chair, a standing blinds (luxaflex) frame and a table with instruments. Upstage we place a wooden wall with the following dimensions; 7 meters wide, 70 centimeters deep and 3,25 meters high.

### **Company**

The company consists of 4 dancers, one musician, three singers, two technicians and a tour manager. On performance days we need access to the stage at least 2,5 hours prior to the performance in order for our dancers to warm up and rehearse.

### **Dressing rooms**

We require at least 3 dressing rooms to accommodate 8 artists. The rooms must be clean, well lit and heated. Each room must be equipped with tables, adequate lighting for make-up, chairs, mirrors, toilets, sinks and showers as well as a costume rack, hangers and towels.

### **Contact**

When in doubt or with questions, please contact Yannick de Regt during office hours.
